## **Welcome to New Residents**

If you are new to the Village of Edison, we welcome you. If you have any questions, feel free to stop into the Village office at 103 N Boundary Street or call the office at 419-946-9146.

## **Emergency Alerts from Morrow County EMA & Morrow County 911**

There is a siren in the village to alert residents of severe weather. There is also a system available to us that can alert you through your phone with a call or text message.

If you have not already signed up for Hyper-Reach this can be done by calling 419-462-9320 or Text "Alert" to 419-462-9320 or online at <http://hyper-reach.com/ohmorrowsignup.htm>

Currently our siren has not been sounding on the first Wednesday of the month. This has been reported and it is being looked into.

## **Municipal Building Updates:**

The Edison Municipal Building has a new look with a blue front door.

Niles Bush has made a new sign for us to post the meeting dates and topics to be discussed.

Niles has made this beautiful sign to earn his Eagle Scout Badge. Thank you Niles!!!

## **Summer Clean UP:**

In keeping with the beatification theme. I would like to remind everyone of a couple of things that are the homeowners responsibility.

1. Lawn care and mowing both front and back yards.
2. Trimming of trees and bushes, especially over sidewalks. These should be trimmed to 10 feet above the sidewalk.

3. Ohio Basic Code 93.41 describes "Litter" as garbage, trash, rubbish, ashes, cans, bottles wire, paper, boxes, non operative automobile and part, furniture, glass or anything else of an unsightly or unsanitary nature. This also applies to front and back of properties.

We can all do our part to keep our little Village of Edison in it's best condition. Abiding by the rules allows us all to live together in a more cohesive way.

These improvements also help to keep our Village safe and healthy by reducing the amount of vermin such as rats, coons, groundhogs and any other unwanted vermin.

Thanks to all who are helping to keep our Village neat and tidy.

## **Village Council Meetings**

The Village Council meets the second Monday of each month at 7:00 pm. at the Municipal Building. All meetings are open to the public.

If you have an issue that you would like to bring before the council, you may call the village office at 419-946-9146 and ask to be added to the agenda.

## **New about sewer bills**

Just a reminder you can get your sewer bills by email just call Mary at the Village Municipal Building and give her your email address.

Also due to the rising cost of postage this office will no longer be sending out late payment notices. If you are late you will receive a certified letter to notify you of the date your sewer will be plugged.

## **Office Hours**

The Village Fiscal Officer hours are Monday – Thursday 12:00 – 4:30
