RE: WATER LINE REPLACEMENT - North Boundary, E. Vine and East Streets

Dear Property Owner,

Due to aging infrastructure, Del-Co Water Co. has received approval to begin construction of the water line replacement project along North Boundary, E. Vine and East Streets. Construction is expected to begin within the next several weeks, if the weather permits.

Water mains will be replaced, new services installed up to the water meter and new valves and hydrants installed.

If you have any questions or concerns about this project, please feel free to call me at 740/201-0274 or email me at nlinkous@delcowater.com. Our office hours are Monday through Friday, 8:00 a.m. to 4:30 p.m.

Sincerely,
DEL-CO WATER CO., INC.

Natalie Linkous
Project Manager
