Almost Fall 2022

Saying Good Bye to Summer 2022

Summer is coming to an end and fall is just around the corner. I hope everyone had a great summer.

Remember – We do not have equipment to “sweep” leaves. Do not rake them to the curb for pick up. All yard waste must be bagged in paper bags for the village to be able to pick up. If you have a large amount to dispose of, you have the option to take it to the Yard Waste Drop Off, next to the Mt. Gilead Sewer Treatment Plant (Twp. Rd. 127).

Heritage Day Festival 2022

Our first festival in many years has ended. I heard many nice comments about the festival. Taking into consideration that it was the first time trying our wings, I think it went well. There is always something that can be done better in the future. There were last minute glitches that made for some creative thinking. The Planning Committee worked very hard to make this a success. There are more plans coming for the future. If you think this is something you would like to be a part of step up and volunteer.

Halloween

The next event to hit the streets of Edison, will be our Annual Halloween Parade and Trunk or Treat. The parade will begin at 4:00 pm. at the Edison Methodist Church on S. Boundary Street and end on Broadway Street, at the old firehouse area, where the costume judging will take place.

After Costume judging kids are welcome to Trunk or Treat ending at 6:00 pm.

To pass out treats, you may park along Boundary Street or from your own porch.

Get your creativity in gear and come up with some great Halloween costumes.

All ages are encouraged to participate.

Halloween is not just for kids!

Smoking the Village 2022

The smoke testing has been completed. A number of people throughout the village experienced smoke entering their home. If you had smoke, you may want to contact a plumber and have it checked out. You may have sewer gasses entering your home.

If you have any questions, call the Municipal office at 419-946-9146 and talk to Mary Neviska.

School Is Back in Session

The local schools are back in session now. Some kids will be happy to return, others maybe not so much. Regardless of how they feel about school, we need to keep an eye out for them as they come and go to school. As the weather is still nice to be outside, they will be out playing in their free time also. Please watch out for them, they don't always look both ways. Please watch out for buses and kids.

Edison Village Council Members

Georgann Kneipp
April Brown
Pete Russell
Mary Swartwood
Kent Kanniard

There is currently a vacancy on the Village Council.

Being a Council member is a very important job. You become the voice for our residents.

If you are interested and would like to be considered for this position, contact the Mayor, any Council member, or come to a meeting and see what it is all about.

Meetings are the 2nd Monday of each month, at 7:00 pm.

Heritage Day Festival Tee Shirts

There are still a few tee shirts left from the Festival. Current sizes available are large, and e-large. There is one 2x-large. Cost is \$15.00.

Special Announcement

The Village of Edison has a Web Page. It can be found at <https://edisonoh.net>

The web page has contact information, newsletters, and other information about the village of Edison. Check it out.

There is also a Facebook page (**Village of Edison Ohio**).

Election Day – November 8, 2022

Don't forget to vote. It is so important to exercise our right as Americans to vote.

On the ballot for the Village of Edison, there are 2 levies.

A replacement levy in excess of the ten mill limitation for the amount of 2 mills for providing funds for the construction, reconstruction, resurfacing and repair of the streets, roads, and bridges for the Village of Edison.

A tax levy for the amount of one mill, for the purpose of providing funds for current expenses for the Village of Edison, for five years.

Street Department – Help Wanted

The Village is seeking to hire someone for the Street Department. Experience in lawn mowing and snow plowing preferred. Interested persons should contact, Mary Neviska, Village Administrator/Street Department Supervisor.

State Route 95 Paving - 2024

We have received word that State Route 95 will be paved through the Village of Edison during the 2024 season. This will be an added expense for the village for this to be completed. We do not have a date or the cost for this project as yet.
